About us

Connubia: una storia di passioni e di legami

Connubia è un brand di Calligaris Group, la realtà italiana che ha saputo evolversi nei suoi 100 anni di storia grazie alla capacità di amalgamare sapientemente abilità artigianali e innovazione.

Ciò che ci motiva è fare dei prodotti che incontrino il gusto delle persone e le uniscano. Prodotti che creino valore con una importante attenzione al bene del nostro pianeta.

Lo facciamo combinando le conoscenze e le competenze dei nostri artigiani, tramandate negli anni a promettenti giovani talenti, con nuove tecnologie, nuovi materiali e tecniche di sviluppo innovative.

Tutti i materiali che utilizziamo rispettano severi standard dove la qualità e la sostenibilità sono elementi essenziali in ogni passaggio del processo di ideazione e produzione.

È per questo che i prodotti Connubia sono belli, funzionali e fatti per durare nel tempo.

Connubia: a story of passions and ties

Connubia is a brand of Calligaris Group, the Italian reality that has been able to evolve in its 100 years of history thanks to the ability to skillfully amalgamate craftsmanship and innovation.

What motivates us is to make products that meet the taste of people and unite them. Products that create value with a special attention to the well-being of our planet.

We do this by combining the knowledge and skills of our artisans, handed down over the years to promising young talents, with new technologies, new materials and innovative development techniques.

All the materials we use comply with strict standards where quality and sustainability are essential elements in every step of the design and production process.

This is why Connubia products are beautiful, functional and made to last.

Our contribution to a sustainable future

«Non vi promettiamo subito il 100% green in ogni cosa, ma di sicuro il 100% di impegno e trasparenza per dare il nostro contributo ad un futuro sostenibile.»

«We do not immediately promise you 100% green in everything, but certainly 100% commitment and transparency to make our contribution to a sustainable future.»

Connubia è determinata a fare la differenza sul tema della sostenibilità. Il programma **I am Green** vuole strutturare e organizzare le attività aziendali dedicate a questo tema agendo su 2 fronti: quello del Prodotto, creando arredi green, composti da materiali naturali e riciclati e pensando alla circolarità, e quello del sistema Azienda, per un approccio sostenibile allo sviluppo, alla produzione e alla distribuzione dei prodotti.

Connubia is determined to make a difference on the issue of sustainability. The **I am Green** program aims to structure and organize corporate activities dedicated to this theme by acting on 2 fronts: on the Product, creating green furnishings, composed of natural and recycled materials and thinking about circularity, and on the Company system, for a sustainable approach to product development, production and distribution.

«La poltrona 100% green di Connubia dove ogni elemento è stato studiato in un’ottica ecosostenibile e circolare.»

«The 100% green armchair by Connubia where every element has been designed with an eco-sustainable and circular approach.»

100 BOTTIGLIE DI PLASTICA RECUPERATE DAL MARE PER OGNI REEF Creato insieme a SEQUAL, la community che ripulisce i mari dalla plastica, lo speciale rivestimento della Reef, è composto interamente da plastica riciclata post consumo proveniente dalle bottiglie recuperate dal mare o destinate alla discarica.

100 PLASTIC BOTTLES, RECOVERED FROM THE SEA, TO MAKE EACH REEF Made together with SEQUAL, the community that cleans the seas from plastic, Reef’s special fabric, is made entirely with post-consumer recycled plastic, from the bottles recovered from the seas or destined for landfill.

UNA NUOVA VITA A DIVANI E MATERASSI Il poliuretano espanso dell’imbottitura deriva dall’agglomerazione di rifiuti ingombranti, come ad esempio divani e materassi, e dagli scarti di produzione delle industrie tessili e dell’arredamento.

A NEW LIFE FOR SOFAS AND MATTRESSES The padding is composed of recycled polyurethane foam derived from the agglomeration of bulky waste, such as sofas and mattresses, and from production waste from the textile and the furnishing industry.

SOLO LEGNO PRODOTTO RESPONSABILMENTE La struttura della Reef è realizzata utilizzando unicamente legno proveniente da foreste gestite in maniera responsabile secondo rigorosi standard ambientali, sociali ed economici previsti dal sistema di certificazione FSC® (FSC-C002023).

ONLY WOOD GROWN IN RESPONSABLY MANAGED FORESTS Reef’s frame is made using exclusively wood coming from forests managed responsibly according to strict environmental, social and economic standards provided by the FSC® (FSC-C002023) certification system.

What is Connubia

Un concept che si evince già dal nome, Connubia, che parla di incontri e di passioni, di legami e di affinità.

A concept that is already evident from the name, Connubia, which speaks of encounters and passions, of ties and affinities.

Ci piace vivere la famiglia e gli amici. Ci piace vivere ogni giorno come un nuovo giorno, ci piace creare prodotti da condividere, da conservare per sempre.

Connubia è il brand giovane e contemporaneo di Calligaris, un brand italiano con prodotti di design che sanno raccontare le nostre storie, perché è proprio dallo stare seduti insieme intorno ad un tavolo che nascono incontri, condivisioni ed emozioni che Connubia mette al centro della propria ispirazione.

I prodotti Connubia hanno un design semplice, funzionale, dove il colore esprime vitalità e personalità. Prodotti che vogliono essere rispettosi dell'ambiente utilizzando sempre di più materiali ecosostenibili a basso impatto ambientale. Non solo sedie e tavoli, ma anche complementi capaci di adattarsi a contesti diversi e di creare spazi di ispirazione per la vita, il lavoro e la comunità.

We like to live family and friends. We like to live every day like a new day, we like to create products to share, to keep forever.

Connubia is the young and contemporary brand of Calligaris, an Italian brand with design products that can tell our stories, because it is precisely from sitting together around a table that meetings, sharing and emotions are born and Connubia puts them at the center of its inspiration.

Connubia products have a simple, functional design, where color expresses vitality and personality. Products that want to be environmentally friendly using more and more eco-friendly materials with low environmental impact.

Not only chairs and tables, but also occasional furniture able to adapt to different contexts and create inspiring spaces for life, work and community.
